

Monitors and tablets take up valuable desk space, especially in smaller or home offices. The Novus MY system of monitor mounts and tablet holders offers a creative solution. The MY one allows you to easily elevate and position a single device to keep your workspace less cluttered and more functional.

The MY one is constructed with strong anodized aluminum for stability and is available in silver or white. Six surface mount options accommodate a variety of work surfaces and configurations. Cable routing clips are provided and ensure an organized appearance.

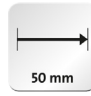

The NOVUS MY one includes a single column and monitor mount that allows for 13.75" of height adjustment for proper line of sight viewing. The mount can be tilted and turned to reduce monitor glare and create a perfect ergonomic fit.

Silver	White	Base Option	Range
910+1019+000	910+1011+000	System Clamp 1	1.97"
910+1059+000	910+1051+000	Grommet	1.97"
910+1049+000	910+1041+000	Drilling Screw	1.97"
910+1069+000	910+1061+000	System Rail	1.97"
910+1079+000	910+1071+000	SlatWall	1.97"
